

SUMMER 2018

The children arrive at the farm at 10am, parents must fill in a client registration/code of conduct form and sign the children in.

We organize them into appropriate groups/ friends, fit hats and riding boots.

We have a large indoor barn where the children meet the pony they will be looking after, we groom and sometimes plait glitter and pamper the ponies before tacking them up to ride.

After fitting body protectors, the children will then ride for 45 minutes either in the enclosed outdoor school or on the leading rein around our farm.

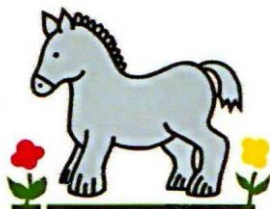

The ponies then get untacked and fed by the children, some tack cleaning and learning how to care for ponies.

AT 12.30 we stop for our snacks and a chat about their morning giving them their achievement awards. Parents collect at 1pm and sign the children out.

The children are fully supervised at all times.

We also take children from 2 years on a 15-minute lead rein ride.

Please call for more details.

SUMMER HOLIDAY COURSE

TUESDAY

WEDNESDAY

THURSDAY

10 AM – 1PM

AGES 5 - 12

**£40.00 per
morning**
